The programme of "Le Giornate di Polizia Locale e Sicurezza Urbana" (Local Police and Urban Safety Days) in Riccione offers, in addition to the ordinary sessions dedicated to topics of general interest, numerous "Special Sessions" and some "Practical-operational Sessions". The first courses represent an opportunity to acquire a more detailed knowledge of particularly requested and topical subjects discussed in the halls of the new Congress Centre and which will witness the participation of a large number of people. The practical-operational sessions take place in dedicated areas and personally involve the members in activities related to the daily work of Local Police officers.

Interested companies are offered two valid commercial proposals in order to optimize their exposure and reach - with their products and services - an even more targeted number of visitors.

1) SPONSORSHIP OF SPECIAL SESSION or PRACTICAL-OPERATIVE SESSION - for exhibiting companies only)
(application deadline: 31.07.2025)

The commercial offer includes:

- a) Paper presented by 1 Rapporteur of the Sponsor during the Special Session;
- b) Inclusion of the Sponsor's Trademark on the Programme of the event with the indication "with the contribution of"

2) WORKSHOP – (for exhibiting companies only)
(application deadline: 31.07.2025)

The organization of "Le Giornate di Polizia Locale e Sicurezza Urbana" (Local Police and Urban Safety Days) provides a modular room of variable capacity for the exclusive workshop of the exhibiting company, which has - in this way - the opportunity to present its products and services to an audience of interested parties (identified by the company itself), perform demonstrations, and establish business contacts with customers and partner companies. This initiative will be given wide exposure in the communication tools developed for the Conference.

The price of the Workshop includes: Availability of a modular room of variable capacity - Video Projector - Screen - Desk/Table for the distribution of company information material - Indication and signaling of the timing workshop during the working days.
